Dear Sonya,

Please find below, the methodology for the internal audit of the Weston Longville Parish Council accounts for the year 2019-20. I have looked at each financial transaction and have cross referenced each with

- The councils legal ability to make such a payment
- Supporting invoices or receipts
- Cheque book stubs and bank statement entries
- The record of said transaction within the council meeting minutes.

I have viewed the bank statements for all the accounts and I have checked that tax and National Insurance submissions have been made. I have seen evidence of the Councils risk management strategy and insurance provision.

In all, I have found no evidence that the Council's financial control is not being adequately managed. I have therefore signed the Annual audit return as required.

Yours sincerely
