Parish Councillors present:	Clare Morton	CM	(Chair)
	Bob Banks	BB	
	Justin Cohu	JC	
	Peter Ross	PR	
	Ruth Goodall	RG	
	Dawn Clarke	DC	(Clerk)

Members of the public (5) including District Councillor Peter Bulman and County Councillor Greg Peck.

All councillors present have signed the Acceptance of Office form before the Clerk and have read and accepted the Code of Conduct before the meeting.

1. To elect the Chairman.

Clare Morton was proposed by Peter Ross, Ruth Goodall seconded, agreed.
The Chairman signed the Acceptance of Office.

2. To elect the Vice-Chairman.

Peter Ross was proposed by Ruth Goodall, Clare Morton seconded, agreed.

3. To receive apologies for absence.

Apologies were sent from Paul Cowley; these were accepted.

4. To receive declarations of interest in items on the agenda and consider any requests for dispensations.

All councillors declared an interest in Norwich Western Link Road and Hornsea 3, Equinor SEP and DEP.

5. To resolve to re-adopt the General Power of Competence for the term of this council and confirm the Council's eligibility to do so (Localism Act 2011 s1(1))

The council being entirely elected and having a qualified Clerk **agreed** to re-adopt the GPOC for the next 4 years, provided it remains eligible.

6. To consider the portfolios held.

There has been some movement of responsibilities between the portfolios. Portfolios were assigned – BB will also take on the SAM 2.

RH is happy to take on Parishioner Engagement. Website to be updated with remits.

A list suggested objectives which are reflected in the 2010 Parish Plan were distributed and will be discussed in July. Ideas to be sought and the development of a community wood to also be explored, the idea of shielding the community from work to the underground electrical lines or a green space for the parish to be used over the long term. A wild meadow which may become part of a land management plan was raised. The Community Orchard in Elising was noted as a local model and it was suggested that it is visited. Recent developments highlighted by NALC, via the levelling up fund to encourage purchase of community assets. Ortsted will support land purchase. If it was not possible, then the reasons why, should members of the community like to know should be available. Purchase or long term lease would allow development over a longer time frame.

Peter to ask Lady Ann for suggestions. It was noted that there was no playing field invoice in 2022-23 and we would now need her bank details to pay the rent. PR to ask for banking information and an invoice.

7. To consider the bank signatories.

Signatories – Lloyds confirmed that CM, PC, PR, RG and DC are signatories. There has been some mis-information with regards to signatures.

The Online banking process was **agreed** via the Internal Controls Policy. The Clerk setting the payment as signatory 1, then alerting councillors for signatory 2. Invoices for checking were available in the shared files.

8. To adopt or re-adopt the following policies:

8.1 Code of Conduct.

8.2 Internal Controls.

It was **agreed** to adopt or re-adopt both policies.

9. To confirm the Asset register is up to date.

The ownership of the USAF war memorial was questioned as the asset register states 'War Memorials at both ends of the village' CM to check.

The village War Memorial is in need of repair to the chain and posts. BB to secure a local repair solution to replace all and match existing style and return to council with a quote for authorisation.

10. To approve the minutes of the meeting held on 24th of April 2023.

The council **APPROVED** the minutes, and the chair signed them as a true and accurate record of the meeting.

11. To report on items not on the agenda from the last meeting (information only)

PR updated council to the fire on Weston Longville Airfield.

An email from Fiona Wilson was read and they would be on site tomorrow, and are making progress to, and expect, to extinguish the fire by Tuesday May 23rd.

The suggestion of village wide compensation to the Hall was made.

A resident feels that as a householder they should be compensated and expressed concerns to the long-term health effects of the smoke inhalation. CM asked how it could be calculated in a way that reflected the impact each location.

RG suggest any compensation be used to support a community event.

PR has been in touch with Gressingham Foods and has emailed the Enviromental agency (Email below)

It was **agreed** to wait for a response, as we are still within the statutory response time before involving the MP.

Subject: Fire at Gressingham Foods poultry farm at Weston Longville Airfield

On the evening of 11 April 2023 at Gressingham Food's Weston Longville Airfield site a large clamp consisting of all the site's avian flu contaminated bedding spontaneously combusted engulfing the nearby village in extremely dense, choking, acrid smoke which reduced visibility to virtually zero.

On May 11, one month later, whilst the separated non burning pile had been removed a significant and very large part remained smouldering and releasing the same foul acrid smell over the village and surrounding properties. Gressingham Foods stated they were still awaiting advice from the EA as to how to deal with it.

At an earlier meeting with Gressingham Foods members of the Parish Council were informed that the EA authorised the muck to be stored in a single clamp on the airfield at the site closest to the village.

We would ask the EA

1. Was the prospect of spontaneous combustion considered in EA's approval of the storage of the all the muck in a single clamp.

2. Given that basic chemistry would suggest spontaneous combustion to be a possibility and given the vast area of the airfield, why was the clamp sited at the closest point to the village (a matter of a few of hundred yards away)

3. What consideration was given to the potential impact on the health and wellbeing of the surrounding residents if spontaneous combustion occurred. If this was addressed what mitigation measures were considered.

It is clearly unacceptable that this incident occurred in the first place and that it is still not resolved and so local residents continue to suffer the effects

I have copied this email to Mr Jerome Mayhew our MP and would be grateful if you could copy him in on your reply

Regards
Peter

12. Open forum for Public Participation: an opportunity to hear from members of the public and County and District Councillors.

County Councillor Greg Peck noted the County Council are busy with highways resurfacing, an activity that is ongoing. He explained the £60m deficit to balance the books. The council was told that the responses returned with respect to the 'County Deal' were generally in favour of the deal, this consultation was government determined.

The County deal governance will now be negotiated. The mismatch of terms of office for the leadership could create a possible standoff in progressing any resolutions as the councillor terms are out of sync and of different lengths. A decision will occur in December and leadership elections would then be held in May 2024 should the County Deal proceed.

The Western Link business plan has been submitted and passed on to the treasury. Jerome Mayhew MP has met with the chancellor to approve. The next liaison meeting is on the 31st of May.

District Councillor Peter Bullman re-confirmed that South Norfolk and Broadland Council are currently moving to the Horizon Building and the old site will be closed at the end of the month. Following the elections, no one party has a sufficient majority, in his opinion, this will not affect the western link.

John Hurst reminded the council that a resolution had been passed to support the installation of public toilets at All Saints Church, available for general use. There have been other grants awarded to the church to support this work. A damp issue needs to be resolved prior to the toilet installation. The works are divided into 2 phases. Phase 1, costing around £35k, lasting 24 weeks, covers the installation of water, groundwork in preparation for phase 2, and work to resolve the damp problem. Phase 2, is the toilet installation. HMRC has agreed to make the toilet works zero rated as it has disabled access. There is no current plan to install water into the server. Anglia water will need to close the road to make the connection. The architect will be able to separate items that are repair and toilet rated.

The Clerk will double check with NALC on the ticket that has been opened previously as the water connection is required for the toilet but would be used for repairs, however without the water the toilet will not function. It was **agreed** to authorise the first payment (for water installation) based on advice.

John Hurst was congratulated for bringing the toilet project to this point.

Councillor Justin Cohu left at 21:00

15. To receive an update and agree next steps on A47 and Norwich Western Link.

Update, A47: Work was scheduled to start in March 2023 and is subject to a judicial review in respect to legality and carbon emissions, this is related to all 3 sections. Currently waiting for a judgement, this will delay the possible earliest start to March 2024.

This will have implications on the Western link. The upcoming for mitigation measures to be presented should the western link be delayed however because the western link planning application has not been completed this deadline has been missed. Norfolk County Council are proposing that the meeting on July the 10th is the new deadline for the mitigation proposal. Conditions for inclusion in the planning application are 1- relating to traffic modelling numbers through Western Longville following the opening of the Western Link, and 2 - the changing designation for the HGV route. Discussions will be held with the County Council as soon as the date can be arranged on their response to these conditions.

16. To receive an update on the Bus Shelter and Noticeboard for Morton on the Hill.

WLPC is waiting for Margaret Carter on behalf of Morton on the Hill to return with an invoice for the glass as agreed. The grant monies have been received for the bus shelter repair. Payment can be made when it arrives as it is already agreed by council. The notice board had yet to be determined.

17. To resolve a response for a request for help from a resident.

A resident suffered a catastrophic accident and is due to be moved to Sheffield temporarily for further treatment. His dog is currently being looked after by another resident after spending time previously with a family member. Considering the extent of the injuries and the welfare and care for both the

family and dog, All Saints Parish Church have agreed to contribute to the cost of a large kennel with a secure run. It was agreed in principle that the council will also contribute.

This would be paid from the Solar Fund. Peter to return with a figure. There is the concern that this will make a precedence for further claims. However should someone else have such extensive, and life changing injuries then the council would consider based on the circumstances meeting this base line.

18. To respond to grant request from the Tree Warden Network.

It was **agreed** that Weston Longville Parish Council would donate £50.

19. To endorse the purchase of a replacement Oak Jubilee Tree.

It was **agreed** to refund the purchase up to £35 for a similar replacement tree.

20. To discuss the current Allotment arrangements.

Wave have yet to produce a bill for the water to date. Clerk to chase.

It was **resolved** that the council would pay the first bill, and the bill for the forth-coming year, and then review the allotment rates in Feb 2024.

An equal distribution was considered and it was noted that the cost of metered taps is greater than the estimated water bill. The tap is dismantled at the end of the growing season to prevent accidental loss.

CM will help BB with the administration for the plots. It was noted that of the 6 plots, 3 are without charge levied for the plot.

21. To receive an update on the Hornsea 3 and Equinor SEP and DEP.

There has been no change.

22. To re-confirm the meeting dates, 2nd Monday of the months of February, May, July, September and November: July 10th 2023, September 11th 2023, November 13th 2023, February 12th 2024, May 13th 2024.

Noted.

Members of the public left.

23. Clerk's Report (verbal)

Notice of rights – the notice of rights will go on to the notice board for the 1st of June to 14th July 2023

Electronic Declarations of interests have all been submitted to SNBDC and the clerk thanked all councillors for their prompt return.

Standing orders are the next policy to be updated, it was agreed that Chair, He /She would be used.

- 24.1. D Yallop – Flexi Bus Service.
- 24.2. Honingham PC – SAM 2 schedule.
- 24.3. Any item received after the publication of this Agenda.

BB will be put in touch with the other parishes as needed, CM to pass on contact details.

Ruth Horton let the Clerk and Chairman know in advance that she would not be able to attend. Ruth has not signed her Acceptance of Office. Until that is signed she can not participate as a councillor. It was **agreed** to extend the period of time for Ruth to sign the Acceptance of Office to the 16th of June, 2023. Clerk to liaise.

25. Any other business (information only)

Standing orders generally.....	23

INTRODUCTION

This is version two of Model Standing Orders 2018 (England) updated on April 2022. Update to Model Standing Order 18 only.

How to use model standing orders

Standing orders are the written rules of a local council. Standing orders are essential to regulate the proceedings of a meeting. A council may also use standing orders to confirm or refer to various internal organisational and administrative arrangements. The standing orders of a council are not the same as the policies of a council but standing orders may refer to them.

Local councils operate within a wide statutory framework. NALC model standing orders incorporate and reference many statutory requirements to which councils are subject. It is not possible for the model standing orders to contain or reference all the statutory or legal requirements which apply to local councils. For example, it is not practical for model standing orders to document all obligations under data protection legislation. The statutory requirements to which a council is subject apply whether or not they are incorporated in a council's standing orders.

The model standing orders do not include model financial regulations. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the council's Responsible Financial Officer. Model financial regulations are available to councils in membership of NALC.

Drafting notes

Model standing orders that are in bold type contain legal and statutory requirements. It is recommended that councils adopt them without changing them or their meaning. Model standing orders not in bold are designed to help councils operate effectively but they do not contain statutory requirements so they may be adopted as drafted or amended to suit a council's needs. It is NALC's view that all model standing orders will generally be suitable for councils.

For convenience, the word "councillor" is used in model standing orders and, unless the context suggests otherwise, includes a non-councillor with or without voting rights.

A model standing order that includes brackets like this '()' requires information to be inserted by a council. A model standing order that includes brackets like this '[]' and the term 'OR' provides alternative options for a council to choose from when determining standing orders.
