

Weston Longville Parish Council

ANNUAL PARISH MEETING

Weston Longville Parish
7:00 pm on Monday 12th May 2025

Minutes

1. Welcome, Introduction and to receive Apologies.

Clare Morton Welcomed everyone to the meeting – no apologies.

2. Confirmation of the minutes of the Annual Parish Meeting Minutes from 13th of May 2024.

The minutes were accepted as a true record and signed.

3. Annual Report of the Parish Council by Clare Morton Chair of Weston Longville Parish Council.

The last year was rather blighted for the Parish, by the news that the Norwich Western Link Planning Application was to be withdrawn, due to the impact on the bats. A great deal of work had been put in by councillors, past and present, to keep the interests of Weston Longville to the fore during the route development so this was very disappointing news. The promise, from Norfolk County Council, that a long term solution to our traffic issues will continue to be sought just moves the clock back by ten years. An improvement to our day to day issues is being worked on but at best, this only keeps traffic at the status quo levels. I'd like to thank councillors for their work this year, and also thank the clerk for keeping us on the straight and narrow. The burden of GDPR requirements ever increases so this is no easy task these days.

4. To receive any other reports.

There were no other reports.

5. To invite the public to raise any matters for discussion.

A resident asked about busses and if there was a possibility to route through the Village.

A resident asked for a update with respect to 'Spencer's Corner'

6. Consideration and decisions on subjects raised.

Busses - Ruth Horton notes there was no real interest in services within the last survey
Cllr Rick Parsons will investigate and take to the parish council.
An article will be penned for the Wensum Diary to gauge interest.

There was no update available to the council.

7. Close

Meeting closed at 19:09
